Licensee under 35 U.S.C. 184 is hereby granted to file in any foreign country a patent application and any amendments thereto corresponding to the subject matter of this U.S. application identified above and/or any material accompanying the petition. This license is conditioned upon modification of any applicable secrecy order and is subject to revocation without notice.

License Number: 531,407

Grant Date: 17-Oct-03

Approved

for Commissioner of Patents and Trademarks

This license empowers the filing, the causation and the authorization of the filing of a foreign application or applications on the subject matter identified above, subsequent forwarding of all duplicate and formal papers and the prosecution of such application or applications.

This license is granted under 37 CFR 5.15(a).

This license is to be retained by the licensee and may be used at anytime on or after the date thereof.
This license is not retroactive unless specifically indicated.

The grant of this license does not in any way lessen the responsibility of the licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations, especially with respect to certain countries, of other agencies, particularly the Department of the Treasury; Office of Munitions Control, Department of State (with respect to Arms, Munitions and Implements of War); the Bureau of Trade Regulation, Office of Export Administration, Department of Commerce; and the Department of Energy.

LICENSING & REVIEW

Sir:

Pursuant to 37 C.F.R. §§ 5.12(b) and 5.13, Applicants request expedited handling of a foreign filing license for "Strawberry Plant Named Driscoll Coronation" (a description of which is enclosed herewith). No international application has been filed in the United States. No foreign applications have been filed.

There is no national interest in maintaining in secret the subject matter of the attached description. The subject invention relates primarily to a hybrid strawberry variety.

It is necessary that this license be received by no later than October 28, 2003, so that corresponding international applications can be timely filed without the loss of rights. The assistance of the Patent Office in handling this matter on an expedited basis would be greatly appreciated. Please call Stacy Jardim at (202) 496-4721 when the license is available to arrange for a messenger to retrieve it.

Pursuant to 37 C.F.R. § 1.17(h), Applicants believe that a fee in the amount of \$130.00 is due with this Petition. Please charge any required fee to Pennie & Edmonds LLP Deposit Account No. 16-1150. A duplicate copy of this Petition is attached.

Respectfully submitted,

Date: October 16, 2003
